## 2 Errata for PKCS #11 Base Specification v2.40 OS

### 2.1 Removal of Manifest Constants from Appendix B

To minimize the risk of errors, values for PKCS #11 manifest constants in **[PKCS #11-Base-Rev01]** are specified only in the normative computer language definition files associated with that specification. The table of manifest constant definitions that was included in Appendix B of the **[PKCS #11-Base]** is not included in **[PKCS #11-Base-Rev01]**. Corrections to errors in Appendix B of **[PKCS #11-Base]** have been incorporated into the normative computer language definition files specified in **[PKCS #11-Base-Rev01]**.

See the following normative computer language definition files for the manifest constants:

- [include/pkcs11-v2.40/pkcs11.h](#)
- [include/pkcs11-v2.40/pkcs11t.h](#)
- [include/pkcs11-v2.40/pkcs11f.h](#)

### 2.2 Corrections to Manifest Constant Definitions

The following definitions were incorrectly specified in **[PKCS #11-Base]**:

- CK\_HW\_FEATURE\_TYPE is correctly specified in section 3.4 of **[PKCS #11-Base]**, but is incorrectly specified as CK\_HW\_FEATURE in sections 4.3.3.1, 4.3.4.1 and 4.3.5.1 of **[PKCS #11-Base]**, where it should have been referred to as CK\_HW\_FEATURE\_TYPE. This error is corrected in **[PKCS #11-Base-Rev01]**. In addition, the incorrect CK\_HW\_FEATURE constant is not included in the PKCS#11 normative computer language definition files.
- CKR\_COPY\_PROHIBITED was incorrectly specified in Appendix B of **[PKCS #11-Base]**; it should not exist and where used is meant to be CKR\_ACTION\_PROHIBITED, This value should not exist and is not included in the PKCS#11 normative computer language definition files.

### 2.3 Corrections to Functions Macro

The macro CK\_DEFINE\_FUNCTION was replaced with CK\_DECLARE\_FUNCTION as this is what is contained in the normative computer language files. CK\_DEFINE\_FUNCTION was unused and has been removed from the specification and the normative computer language files.

---

## 3 PKCS #11 Implementation Conformance

PKCS #11 Implementation Conformance is defined in Section 6 of **[PKCS #11-Base-Rev01]**.
