In the meeting minutes from 14 October 2024, The LEXIDMA TC stated that no comments were received for DMLex V1.0 CSD04.

See excerpt below from the meeting minutes:

"**Review issues from the 4th Public Review**
No issues created because no comments received ...
Because no comments were received in the 4th public review, the TC decided to progress to cs01 with the csd04 version unchanged."
